

ABCD - Feature #143

Element HTTP-URIs

03/01/2016 12:44 PM - A. Güntsch

Status:	New	Start date:	03/01/2016
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Missing Concept(s)	Estimated time:	0.00 hour
Target version:			
Description			
<p>We do not yet have an element for holding LOD-compliant URIs. In ABCD 2.06, we use the GUID element but for a client it doesn't say anything about redirection mechanisms etc. Should be dicussed with Andreas Müller who introduced such an element into the CDM</p>			

History

#1 - 01/23/2017 11:29 AM - D. Fichtmüller

- Description updated

- Category set to Missing Concept(s)
